About Me

I am a diligent junior MERN Stack developer with 6 months of experience.
I am skilled in developing plans, managing projects, and user documentation.

Work Experience

As a fresher I have no industrial experience but I have great experience in my projects
So there are some of my project links :

1. [Shatab's restaurant](#)
2. [Food Share](#)
3. [Biya-Shaadi.com](#)
4. [Car-shop](#)

Relevant Skills

- Javascript, Css, Html, react , Express(node js), mongodb, python
- Problem Solving
- Team Communication
